1. PURPOSE & SCOPE

1.1 Purpose

This manual establishes the policies, procedures, operational standards, and compliance requirements governing the activities of My Freedom LLC.

The purpose of this manual is to:

- Promote consistent service delivery across all client accounts.
- Establish clear organizational expectations.
- Protect client information and confidential data.
- Define reporting relationships and accountability structures.
- Support regulatory compliance.
- Provide Virtual Assistants with clear operational guidance.
- Maintain high-quality standards across all departments.

1.2 Scope

This manual applies to:

- Virtual Assistants engaged by My Freedom LLC.
- Heads of Department (HODs).
- Operations leadership.
- Consultants and contractors performing work on behalf of My Freedom LLC.
- Administrative Virtual Assistants authorized by management.

Compliance with this manual is mandatory for all individuals performing work under the authority of My Freedom LLC.

All Virtual Assistants are required to review and acknowledge receipt of this manual and any subsequent revisions issued by My Freedom LLC. Virtual Assistants are responsible for familiarizing themselves with the contents of this manual and complying with all applicable policies and procedures. Failure to read, understand, or acknowledge a policy does not exempt a Virtual Assistant from compliance.

1.3 Guiding Principles

All organizational activities shall be guided by the following principles:

- **Client-Centered Service:** Clients shall receive professional, responsive, accurate, and dependable support at all times.
- **Accountability:** Every individual is accountable for assigned responsibilities, communication, and performance outcomes.
- **Compliance:** Operations shall be conducted in accordance with applicable legal, contractual, and regulatory requirements.

- **Confidentiality:** Client information shall be protected through appropriate administrative, technical, and operational safeguards.
- **Continuous Improvement:** The organization shall promote ongoing learning, professional growth, and service enhancement.

1.4 Independent Contractor Relationship

All Virtual Assistants engaged by My Freedom LLC are classified as independent contractors and not employees.

Nothing in this manual shall be interpreted as creating an employment relationship between My Freedom LLC and any Virtual Assistant.

My Freedom LLC may provide training, onboarding, client assignments, operational support, and performance feedback. Virtual Assistants remain responsible for maintaining their own equipment, internet connectivity, workspace resources, tax obligations, and compliance with applicable laws.

My Freedom LLC does not withhold or remit taxes on behalf of Virtual Assistants. Each Virtual Assistant is solely responsible for meeting any personal tax, self-employment, or similar obligations applicable in their jurisdiction.

Virtual Assistants are not eligible for employee benefits unless expressly provided in a written agreement. This includes, but is not limited to, paid leave, health insurance, pension contributions, workers' compensation benefits, and other employee benefit programs. Any leave granted under organizational policies shall be unpaid unless otherwise approved in writing.

Expenses incurred by a Virtual Assistant shall not be reimbursed unless approved in writing by management prior to the expense being incurred.

Newly engaged Virtual Assistants are subject to a probationary period of ninety (90) calendar days from their engagement date. During this period, performance, attendance, communication, reliability, and compliance with organizational policies will be assessed. Successful completion of the probationary period indicates satisfactory performance and alignment with organizational expectations.

2. MISSION, VISION & CORE VALUES

2.1 Mission

My Freedom LLC exists to provide exceptional virtual assistant services that support client success while creating meaningful professional opportunities for highly qualified Virtual Assistants.

The organization is committed to delivering reliable, professional, secure, and high-quality administrative support that enables clients to focus on their core responsibilities.

2.2 Vision

To become the most trusted virtual assistant organization supporting healthcare and professional service organizations through operational excellence, professionalism, and exceptional service delivery.

2.3 Core Values

- **Excellence:** My Freedom LLC strives to deliver exceptional quality in every task, interaction, and client engagement.
- **Integrity:** All team members are expected to demonstrate honesty, transparency, and ethical conduct.
- **Accountability:** Individuals are responsible for their actions, commitments, performance, and professional development.
- **Collaboration:** Success is achieved through teamwork, communication, and mutual support.
- **Respect:** Every individual shall be treated with professionalism, dignity, and courtesy.
- **Adaptability:** The organization embraces continuous improvement and responsiveness to client needs.

Key responsibilities include:

- Workforce development planning.
- Client readiness assessments.
- Competency framework development.
- Professional development initiatives.
- Skills and capability enhancement.
- Training pathway management.
- Workforce readiness monitoring.

Virtual Assistant

Virtual Assistants are responsible for delivering assigned services to clients in accordance with organizational policies, client requirements, and departmental procedures. Reports to the Assigned HOD.

Key responsibilities include:

- Task completion.
- Client support.
- Documentation.
- Compliance.
- Professional communication.
- Confidentiality.
- Adherence to organizational standards.

3.4 Reporting Chain

Unless otherwise directed by management, the escalation pathway shall be:

Virtual Assistant → HOD → Operations Manager → Program Manager → Principal

This reporting structure shall apply to operational concerns, performance matters, client issues, and policy-related questions.

4. ROLE OF THE VIRTUAL ASSISTANT

4.1 Purpose of the Role

Virtual Assistants are the primary service-delivery professionals at My Freedom LLC. They provide administrative, operational, and client support services while maintaining the organization's standards of professionalism, quality, confidentiality, and accountability.

Virtual Assistants represent My Freedom LLC in every client interaction and are expected to perform assigned duties with accuracy, reliability, and professionalism.

4.2 Reporting Relationship

Virtual Assistants report directly to their assigned Head of Department (HOD).

All operational concerns, performance matters, workload questions, and requests for support shall be directed through the assigned HOD in accordance with the organization's reporting structure.

4.3 Key Responsibilities

Virtual Assistants are responsible for:

Task Execution

- Completing assigned tasks accurately and within established deadlines.
- Following client-specific and organizational procedures.
- Maintaining quality standards across all assignments.

Professional Communication

- Communicating professionally with clients, management, and colleagues.
- Responding to messages and requests within established response timeframes.
- Seeking clarification when instructions or expectations are unclear.

Documentation

- Maintaining accurate records of assigned work and completed tasks.
- Providing status updates and progress reports as required.
- Documenting client interactions in designated systems where applicable.

Compliance

- Adhering to all organizational policies, procedures, and standards.
- Complying with client-specific requirements and workflows.

- Maintaining confidentiality and data security obligations at all times.

Continuous Development

- Participating in required training programs and meetings.
- Engaging in professional development activities.
- Applying feedback and coaching to improve performance and service delivery.

4.4 Scope of Authority

Virtual Assistants are authorized to perform duties assigned within their role and area of responsibility.

Virtual Assistants are not authorized to:

- Commit the organization to contractual, financial, or legal obligations.
- Modify client agreements or organizational policies.
- Delegate organizational authority to another individual.
- Access information beyond what is necessary to perform assigned duties.
- Expand the scope of client services without management approval.

4.5 Professional Expectations

Virtual Assistants are expected to:

- Demonstrate professionalism in all interactions.
- Maintain punctuality and reliability.
- Exercise sound judgment and discretion.
- Protect confidential information.
- Uphold the reputation and values of My Freedom LLC.
- Act in the best interests of clients and the organization.

The quality of service provided by Virtual Assistants directly impacts client satisfaction, organizational reputation, and business growth. Accordingly, all Virtual Assistants are expected to consistently perform their duties in a manner that reflects the standards and values of My Freedom LLC.

4.6 Supervision & Escalation Procedures

Effective supervision ensures that Virtual Assistants receive the guidance, feedback, and support necessary to perform their duties successfully. My Freedom LLC's escalation structure is designed to resolve issues at the lowest appropriate level while

providing clear pathways for more significant concerns to be addressed by management.

Virtual Assistants are expected to participate actively in supervision and maintain open, professional communication with their assigned HOD.

Day-to-Day Oversight

Virtual Assistants shall:

- Attend all scheduled meetings, supervision sessions, and departmental check-ins.
- Provide updates regarding assigned tasks and ongoing work.
- Raise questions, concerns, or operational challenges promptly.
- Seek clarification when instructions or expectations are unclear.
- Participate constructively in coaching, feedback, and performance discussions.

If a Virtual Assistant is unable to complete assigned work due to system access issues, unclear instructions, workload constraints, or other operational barriers, the assigned HOD must be notified immediately.

Issues should be communicated as they arise and should not be deferred until the next scheduled meeting.

Escalation Procedures

My Freedom LLC utilizes the following escalation pathway:

Virtual Assistant → HOD → Operations Manager → Program Manager → Principal

Issues should be addressed at the lowest appropriate level before being escalated through the reporting structure.

Virtual Assistants shall not bypass their assigned HOD when seeking operational support, guidance, or issue resolution except:

- During emergencies.
- When the concern directly involves the HOD.
- When otherwise instructed by management.

This escalation structure ensures concerns are addressed efficiently, consistently, and at the appropriate level of authority.

5. CLIENT SERVICE STANDARDS

5.1 Purpose

My Freedom LLC is committed to delivering professional, reliable, and high-quality support services to all clients. The standards outlined in this section establish the expectations for client interactions, service delivery, responsiveness, and professionalism.

All Virtual Assistants are expected to consistently maintain these standards when performing work on behalf of My Freedom LLC.

5.2 Importance of Service Excellence

My Freedom LLC's reputation and continued growth depend on the quality, reliability, and professionalism of the services delivered by its Virtual Assistants.

Clients rely on My Freedom LLC to support the operational continuity of their organizations. The quality of service provided directly impacts client satisfaction, operational efficiency, trust, and long-term client retention.

Every interaction, task, and deliverable contributes to the client's perception of My Freedom LLC. As a result, all Virtual Assistants are expected to consistently maintain the highest standards of professionalism, responsiveness, accuracy, and accountability.

Service excellence is a fundamental expectation of all Virtual Assistants and is essential to the continued success of both the client and My Freedom LLC.

The standard of service provided by each Virtual Assistant is the standard by which My Freedom LLC is measured. Excellence is not optional; it is the foundation of the organization's success.

5.3 Service Principle

Client service shall be guided by the following principles:

- **Professionalism:** All interactions with clients shall be conducted in a professional, respectful, and courteous manner.
- **Reliability:** Assigned responsibilities shall be completed accurately and within agreed timelines.
- **Accountability:** Virtual Assistants shall take ownership of assigned work and communicate proactively regarding progress, challenges, and completion status.
- **Confidentiality:** Client information shall be protected and discussed only through approved communication channels and with authorized individuals.
- **Responsiveness:** Client inquiries and requests shall be acknowledged and addressed within established response timeframes.

5.4 Communication Standards

Virtual Assistants shall:

- Maintain professional written and verbal communication at all times.
- Use clear, concise, and respectful language.
- Confirm understanding of instructions when clarification is required.
- Communicate delays, challenges, or risks as soon as they are identified.
- Follow client-specific communication preferences where applicable.

5.5 Responsiveness Expectations

Virtual Assistants are expected to maintain timely communication throughout their scheduled work shifts.

- All work-related communications received from clients, management, supervisors, or team members shall be acknowledged within one (1) hour during scheduled working hours.
- If a request or task requires additional time for completion, the Virtual Assistant shall provide an immediate acknowledgement together with an estimated completion timeframe.
- Urgent requests shall be prioritized and addressed as soon as reasonably possible.
- Any anticipated delays, challenges, or barriers to completion shall be communicated promptly.
- Communications received outside scheduled working hours shall be addressed at the start of the next scheduled shift unless alternative arrangements have been approved.

5.6 Confidentiality

Confidentiality is a core professional responsibility of all Virtual Assistants.

Virtual Assistants shall:

- Discuss client information only through approved communication channels.
- Share information only with individuals authorized to receive it.
- Access information solely for the purpose of performing assigned duties.
- Protect all client, organizational, and business information from unauthorized disclosure.

- Comply with all confidentiality, privacy, and data security requirements established by My Freedom LLC and its clients.

The unauthorized disclosure, sharing, or misuse of confidential information may result in disciplinary action, termination of engagement, and potential legal consequences.

5.7 Task Management & Follow-Up

Virtual Assistants are expected to:

- Monitor assigned tasks and deadlines.
- Provide status updates when required.
- Confirm completion of assigned work.
- Follow up on outstanding items in a timely manner.
- Escalate unresolved issues through the appropriate reporting channels.

5.8 Quality Standards

All work submitted on behalf of My Freedom LLC shall be:

- Accurate.
- Complete.
- Timely.
- Professional.
- Consistent with client requirements.
- Consistent with organizational standards.

Virtual Assistants are responsible for reviewing work before submission to minimize errors and maintain service quality.

5.9 Client Concerns and Service Recovery

Any client concern, complaint, or indication of dissatisfaction shall be reported promptly to the assigned HOD.

Where service issues occur, My Freedom LLC shall take reasonable steps to:

- Assess the concern.
- Identify the root cause.
- Implement corrective action.
- Prevent recurrence where possible.

Virtual Assistants shall cooperate fully with any review, coaching, or corrective actions related to client service concerns.

5.10 Representation of My Freedom LLC

When interacting with clients, Virtual Assistants represent My Freedom LLC and are expected to uphold the organization's values, reputation, and professional standards at all times.

Conduct that negatively impacts client relationships, service quality, or organizational reputation may result in corrective action under the Progressive Discipline Framework.

6. ATTENDANCE, WORK HOURS & LEAVE POLICY

6.1 Purpose

The purpose of this policy is to establish expectations regarding attendance, work schedules, availability, punctuality, and leave to ensure consistent service delivery and operational continuity.

Virtual Assistants are expected to maintain reliable attendance and communicate promptly regarding any absence, delay, or inability to perform assigned duties.

6.2 Work Schedule Expectations

Virtual Assistants shall adhere to their assigned work schedules and client coverage requirements.

Work schedules may vary based on client needs, departmental requirements, and operational demands.

Virtual Assistants are expected to:

- Be available during assigned working hours.
- Maintain an accurate work schedule.
- Notify their HOD of any anticipated scheduling conflicts.
- Meet client and organizational coverage requirements.

6.3 Attendance Requirements

Reliable attendance is essential to maintaining client satisfaction and operational continuity.

Virtual Assistants are expected to:

- Attend all scheduled work shifts.
- Attend required meetings, training sessions, and supervision sessions.
- Notify their HOD of any absence or delay as soon as possible.
- Maintain attendance standards established by My Freedom LLC.

6.4 Punctuality Standards

Virtual Assistants shall begin work at their scheduled start time and remain available throughout their scheduled shift.

Repeated lateness may negatively impact client service delivery and may result in corrective action.

6.5 Availability During Working Hours

During scheduled working hours, Virtual Assistants are expected to:

- Remain accessible through approved communication channels.
- Monitor assigned communication platforms.
- Respond in accordance with the Client Service Standards outlined in Section 5.
- Notify their HOD when temporarily unavailable during scheduled work hours.

6.6 Absence Notification Requirements

When unable to report for work as scheduled, the Virtual Assistant shall notify their HOD as soon as reasonably possible.

Notifications should include:

- Reason for absence.
- Expected duration of absence.
- Impact on assigned responsibilities, if known.

Failure to provide timely notification may be treated as an attendance violation.

6.7 Leave Policy

Virtual Assistants may request leave in accordance with organizational procedures and operational requirements.

As independent contractors, Virtual Assistants are not entitled to paid vacation leave, paid sick leave, paid personal leave, or other paid time-off benefits unless otherwise specified in a written agreement.

Leave requests shall:

- Be submitted in advance.
- Include the requested dates and reason for leave.
- Be approved before leave is taken unless emergency circumstances exist.

Planned Leave Requests

To support operational continuity and client coverage requirements:

- Requests for one (1) to three (3) days of leave shall be submitted at least two (2) weeks in advance.
- Requests for more than three (3) consecutive days of leave shall be submitted at least four (4) weeks in advance.

Submission of a leave request does not guarantee approval.

All leave requests are subject to management review, client coverage requirements, departmental staffing levels, and operational needs.

Virtual Assistants are encouraged to submit leave requests as early as possible to allow adequate planning and service coverage.

Repeated requests for leave may impact scheduling priority, departmental assignments, client placement opportunities, or future role considerations.

Approved leave shall be documented in accordance with organizational procedures.

Additional Leave Guidelines

- Virtual Assistants are not eligible for planned leave during the first ninety (90) days of engagement (probationary period). Exceptions may be approved by management for emergencies, pre-existing commitments disclosed during onboarding, or other exceptional circumstances
- To maintain adequate client coverage, leave may be limited to one Virtual Assistant per department at any given time unless otherwise approved by management.
- Consecutive or back-to-back leave requests are not permitted except in emergency situations or where specifically approved by management.
- The total amount of leave granted to a Virtual Assistant shall not exceed thirty (30) working days within a calendar year (January 1 through December 31), unless otherwise approved by management. Working days refer to scheduled workdays.
- Leave requests exceeding ten (10) consecutive working days (two (2) weeks) will not be approved unless exceptional circumstances exist and management approval is obtained.
- Virtual Assistants who are currently subject to a disciplinary probation, performance improvement plan (PIP), or other formal corrective action are not eligible for planned leave during the probationary period unless approved by management for exceptional circumstances.
- All leave requests remain subject to management review, client coverage requirements, departmental staffing levels, and operational needs.

6.8 Emergency Leave

Emergency leave may be granted in situations involving illness, family emergencies, or other unforeseen circumstances.

Virtual Assistants shall notify their HOD as soon as reasonably possible and provide updates regarding their anticipated return to work.

Management may request supporting documentation when appropriate.

6.9 Unauthorized Absence

An unauthorized absence occurs when a Virtual Assistant:

- Fails to report for a scheduled shift without notification.
- Fails to obtain required leave approval.
- Leaves work without authorization.
- Becomes unavailable during scheduled working hours without notifying management.

Unauthorized absences may result in corrective action.

6.10 Attendance Monitoring

Attendance, punctuality, and schedule adherence may be monitored through approved attendance tracking systems, productivity tools, timesheets, schedules, and management reviews.

6.11 Failure to Comply

Failure to comply with attendance, availability, scheduling, or leave requirements may result in corrective action under the Progressive Discipline Framework.

7. COMMUNICATION STANDARDS

7.1 Purpose

Effective communication is essential to maintaining operational efficiency, service quality, collaboration, and client satisfaction.

This policy establishes communication standards for all Virtual Assistants and management Virtual Assistants engaged by My Freedom LLC.

7.2 Professional Communication

All communications shall be professional, respectful, clear, and appropriate for the intended audience.

Virtual Assistants are expected to:

- Communicate courteously with clients, management, and colleagues.
- Use professional language in written and verbal communications.
- Maintain a respectful tone during all interactions.
- Exercise discretion when discussing sensitive or confidential matters.
- Avoid language or conduct that may be perceived as offensive, disrespectful, or unprofessional.

Response time requirements are outlined in Section 5 – Client Service Standards.

7.3 Approved Communication Channels

Business-related communications shall be conducted through approved organizational platforms and systems.

Virtual Assistants shall:

- Use designated communication platforms for work-related discussions.
- Follow client-specific communication requirements where applicable.
- Maintain communication records as required by organizational procedures.
- Avoid using personal communication channels for client-related matters unless specifically authorized.

7.4 Meetings and Check-Ins

Attendance at scheduled meetings, supervision sessions, training activities, and departmental check-ins is mandatory unless otherwise approved.

Virtual Assistants are expected to:

- Attend meetings on time.
- Participate professionally and constructively.
- Come prepared to discuss assigned responsibilities and progress updates.
- Notify the appropriate supervisor in advance if unable to attend.

7.5 Daily Reporting Requirements

To support accountability, communication, workload tracking, and operational oversight, all Virtual Assistants are required to complete the Daily Exit Ticket at the end of each scheduled workday.

The Daily Exit Ticket serves as a record of completed work, outstanding tasks, challenges encountered, and support requirements.

Virtual Assistants shall submit the Daily Exit Ticket before signing off for the day unless otherwise directed by management.

The Daily Exit Ticket forms part of My Freedom LLC's operational reporting, communication, and performance monitoring processes.

Failure to submit the Daily Exit Ticket as required may impact performance evaluations, accountability reviews, and operational oversight.

7.6 Communication of Issues and Concerns

Operational concerns, barriers, risks, and service-related issues shall be communicated promptly through the appropriate reporting channels.

Virtual Assistants shall:

- Notify their HOD of issues affecting service delivery.
- Seek clarification when instructions are unclear.
- Communicate anticipated delays as soon as they are identified.
- Escalate concerns in accordance with established escalation procedures.

Issues should be reported when identified and should not be delayed until the next scheduled meeting.

7.7 Confidential Communications

Confidential, client-related, organizational, financial, and Virtual Assistants information shall only be shared with authorized individuals through approved communication channels.

All communications involving confidential information shall comply with organizational privacy, security, and confidentiality requirements.

7.8 Communication Etiquette

Virtual Assistants are expected to:

- Maintain professionalism in all written and verbal communications.
- Use appropriate grammar, spelling, and formatting in professional correspondence.
- Remain respectful during disagreements or discussions involving differing viewpoints.
- Refrain from engaging in gossip, harassment, discriminatory remarks, or inappropriate workplace discussions.

7.9 Failure to Comply

Failure to comply with communication standards may negatively impact client service, operational efficiency, and organizational effectiveness and may result in corrective action under the Progressive Discipline Framework.

8. TECHNOLOGY & REMOTE WORK REQUIREMENTS

8.1 Purpose

My Freedom LLC utilizes a remote work model that relies on secure technology, reliable connectivity, and professional work environments to ensure consistent service delivery.

This policy establishes the minimum technology and workspace requirements applicable to all Virtual Assistants.

8.2 Technology Requirements

Virtual Assistants are responsible for maintaining the equipment necessary to perform assigned duties effectively.

Minimum requirements include:

- A reliable computer or laptop suitable for assigned work responsibilities.
- Stable high-speed internet connectivity.
- A functioning webcam.
- A functioning microphone and audio system.
- Access to approved software, platforms, and applications required for assigned duties.
- A backup power solution capable of sustaining the full work shift, such as a generator, inverter, solar power system, or other suitable alternative.

Virtual Assistants are responsible for ensuring their equipment remains operational and capable of supporting assigned work responsibilities.

8.3 Internet Connectivity

Reliable internet access is essential to maintaining service continuity.

Virtual Assistants shall:

- Maintain a stable internet connection during scheduled working hours.
- Take reasonable steps to minimize service interruptions.
- Notify their HOD immediately if connectivity issues affect service delivery.
- Maintain a backup connectivity plan whenever possible.

Virtual Assistants are expected to maintain reasonable backup power and connectivity solutions to support uninterrupted service delivery. Repeated disruptions caused by preventable power, internet, or equipment failures may be treated as attendance, availability, or performance concerns and may result in corrective action under the Progressive Discipline Framework.

8.4 Remote Work Environment

Virtual Assistants shall maintain a professional, secure and productive work environment.

The designated workspace shall:

- Support confidentiality and privacy requirements.
- Minimize distractions and background noise.
- Allow participation in meetings and supervision sessions.
- Support professional communication and service delivery.

Virtual Assistants shall conduct work from a private, secure, and professional environment suitable for client-facing and organizational responsibilities. Reasonable measures shall be taken to prevent unauthorized individuals from viewing, accessing, or overhearing work-related information. Devices shall be protected with screen-lock functionality and secured whenever unattended.

8.5 Camera Usage Requirements

To support accountability, supervision, communication, and operational oversight within a remote work environment, Virtual Assistants are required to keep their camera on throughout scheduled working hours unless otherwise authorized by management.

Exceptions may be granted for client-specific requirements, or other circumstances approved by management.

Virtual Assistants are expected to maintain a professional appearance and workspace whenever camera use is required.

Failure to comply with camera usage requirements may result in corrective action.

8.6 Approved Systems and Software

Virtual Assistants shall utilize only approved systems, applications, and platforms for organizational and client-related work.

Unauthorized software, systems, or applications shall not be used to store, process, transmit, or access organizational or client information without prior approval.

8.7 Technical Issues and System Failures

Virtual Assistants shall report technical issues that affect productivity, communication, or service delivery immediately upon identification.

Reports should include:

- Description of the issue.
- Impact on assigned work.

- Steps taken to resolve the issue.
- Estimated timeframe for restoration, if known.

Timely reporting assists in minimizing operational disruption and maintaining client service continuity.

8.8 Monitoring and Compliance

My Freedom LLC reserves the right to monitor compliance with technology, security, communication, productivity, and operational requirements through approved systems and management processes.

Monitoring activities may be conducted to support quality assurance, client service delivery, security, compliance, and operational effectiveness.

8.9 Failure to Comply

Failure to comply with technology, remote work, equipment, or operational requirements may result in corrective action under the Progressive Discipline Framework.

9. DATA SECURITY, HIPAA & CONFIDENTIALITY

9.1 Purpose

My Freedom LLC is committed to protecting the confidentiality, integrity, and security of client, organizational, and personal information.

This policy establishes the standards and responsibilities applicable to all Virtual Assistants who access, process, store, transmit, or otherwise handle confidential information while performing work on behalf of My Freedom LLC.

My Freedom LLC provides services to behavioral health organizations and may operate as a Business Associate under the Health Insurance Portability and Accountability Act (HIPAA). Virtual Assistants who access, process, or handle Protected Health Information (PHI) are responsible for complying with all applicable privacy, security, and confidentiality requirements.

Compliance with these requirements is not only an organizational expectation but may also be a legal and contractual obligation. Failure to comply may result in disciplinary action, termination of engagement, client-related consequences, and other legal or contractual remedies where applicable.

9.2 Confidentiality

Confidentiality is a fundamental responsibility of all Virtual Assistants engaged by My Freedom LLC.

Virtual Assistants shall:

- Protect client, organizational, financial, and Virtual Assistants information from unauthorized access, disclosure, or misuse.
- Access information only when required to perform assigned duties.
- Share information only with authorized individuals who have a legitimate business need to know.
- Use approved communication channels when discussing confidential information.
- Maintain confidentiality during and after their engagement with My Freedom LLC.

The unauthorized disclosure, sharing, misuse, or improper handling of confidential information may result in disciplinary action, termination of engagement, and potential legal consequences.

9.3 Confidentiality and Compliance Agreements

All Virtual Assistants shall sign applicable confidentiality, privacy, and compliance agreements before accessing client information, organizational systems, or Protected Health Information (PHI).

Where required by client contracts or applicable regulations, Virtual Assistants may also be required to execute Business Associate Agreements (BAAs), confidentiality agreements, or other compliance-related documentation as a condition of engagement.

9.4 HIPAA Compliance & Protected Health Information (PHI)

Virtual Assistants supporting healthcare and behavioral health clients shall comply with all applicable HIPAA requirements and client-specific privacy standards.

Protected Health Information (PHI) shall be:

- Accessed only when necessary to perform assigned duties.
- Used solely for authorized business purposes.
- Protected from unauthorized disclosure.
- Stored and transmitted through approved systems and platforms.

Virtual Assistants shall:

- Access only the minimum amount of information necessary to perform assigned duties.
- Protect all PHI from unauthorized access, disclosure, alteration, or destruction.
- Report suspected HIPAA violations immediately.

Virtual Assistants shall not:

- Access records unrelated to assigned responsibilities.
- Browse, retain, download, or access records beyond their authorized responsibilities.
- Share PHI with unauthorized individuals.
- Download, copy, print, or distribute PHI without authorization.
- Discuss client information in public or unsecured environments.

Any suspected HIPAA violation shall be reported immediately.

9.5 Access Control & Password Management

Virtual Assistants are responsible for protecting login credentials and maintaining secure access to organizational and client systems.

Virtual Assistants shall:

- Use strong and unique passwords.
- Maintain the confidentiality of login credentials.

- Enable multi-factor authentication (MFA) where required.
- Log out of systems when access is no longer required.
- Immediately report suspected unauthorized access.

Passwords shall not be shared, stored insecurely, or disclosed to unauthorized individuals.

9.6 Secure Network Usage

Virtual Assistants shall access organizational and client systems only through secure and trusted internet connections.

Virtual Assistants shall:

- Use password-protected and secure internet connections.
- Ensure home or office networks are appropriately secured.
- Utilize approved security tools and safeguards where required.
- Report suspected security risks or unauthorized access immediately.

Public or community Wi-Fi networks shall not be used to access client information, organizational systems, email accounts, or work-related applications unless specifically authorized and protected by approved security measures.

Confidential information and Protected Health Information (PHI) shall not be transmitted through personal email accounts, text messages, social media platforms, or other unapproved communication channels.

9.7 Data Storage & Handling

Confidential information shall be stored, transmitted, and managed only through approved systems and platforms.

Virtual Assistants shall:

- Follow client-specific and organizational data handling procedures.
- Store information only in approved locations.
- Protect electronic and physical records from unauthorized access.
- Dispose of confidential information using approved methods.

Protected Health Information (PHI) and other confidential information shall not be stored on personal devices, personal cloud storage platforms, USB drives, external storage devices, or other unapproved locations.

Information shall not be copied, transferred, stored, or retained outside approved systems without authorization.

9.8 Lost, Stolen, or Compromised Devices

Virtual Assistants are responsible for safeguarding all devices used to access organizational or client information.

Any work-related device, including laptops, mobile phones, tablets, external storage devices, or other equipment used for work purposes, that is lost, stolen, damaged, or believed to be compromised shall be reported immediately to the Operations Manager.

Prompt reporting enables My Freedom LLC to implement appropriate security measures, including account protection, access restriction, remote wipe capabilities, password resets, and other containment actions as necessary.

Failure to report the loss, theft, or compromise of a work-related device may result in disciplinary action and may expose organizational and client information to unauthorized access.

9.9 Security Incidents & Breach Reporting

Any actual or suspected data breach, unauthorized disclosure, security incident, loss of confidential information, or unauthorized system access must be reported immediately to the HOD and Operations Manager and no later than one (1) hour after discovery

Virtual Assistants shall:

- Report incidents without delay.
- Cooperate fully with investigations and containment efforts.
- Preserve relevant information and evidence when requested.
- Follow all instructions issued during incident response activities.

Prompt reporting is essential to minimizing risk and protecting clients, Virtual Assistants, and organizational operations.

9.10 Social Media and Public Disclosure Restrictions

Virtual Assistants shall not post, discuss, reference, or disclose client information, organizational information, patient information, work-related matters, or confidential business information on public websites, social media platforms, blogs, forums, or other public channels.

This restriction applies regardless of whether names or identifying information have been removed.

9.11 Failure to Comply

Failure to comply with data security, confidentiality, privacy, HIPAA, or information protection requirements may result in disciplinary action, termination of engagement, and potential legal consequences.

10. TRAINING & PROFESSIONAL DEVELOPMENT

10.1 Purpose

My Freedom LLC is committed to maintaining a skilled, knowledgeable, and client-ready workforce through training, professional development, and continuous learning.

Virtual Assistants are expected to participate in required training activities and maintain the competencies necessary to perform assigned responsibilities effectively.

10.2 Training Requirements

Virtual Assistants are required to complete all training programs assigned by My Freedom LLC.

Training requirements may include:

- New hire onboarding.
- HIPAA and confidentiality training.
- Client-specific training.
- Systems and technology training.
- Compliance training.
- Other training identified by management.

Completion of required training is a condition of continued engagement and client assignment eligibility.

10.3 Professional Development

My Freedom LLC encourages continuous learning and professional growth.

Virtual Assistants are expected to:

- Participate in assigned development activities.
- Maintain and improve job-related knowledge and skills.
- Apply training and feedback to improve performance.
- Engage in continuous improvement activities.

Professional development opportunities may be offered through workshops, training programs, coaching sessions, mentoring activities, or other learning initiatives.

10.4 Failure to Complete Required Training

Failure to complete assigned training requirements within established timeframes may result in:

- Delayed client assignment.
- Suspension of system access.
- Removal from client accounts.
- Performance management interventions.
- Corrective action under the Progressive Discipline Framework.

Training requirements are considered an essential component of maintaining readiness and eligibility for client assignments.

11. PERFORMANCE MANAGEMENT & QUALITY ASSURANCE

11.1 Purpose

My Freedom LLC is committed to maintaining high standards of service quality, accountability, professionalism, and continuous improvement.

This policy establishes the framework for monitoring performance, providing feedback, identifying development opportunities, and ensuring consistent service delivery.

11.2 Performance Expectations

Virtual Assistants are expected to perform their duties in accordance with:

- Client requirements and expectations.
- Organizational policies and procedures.
- Service quality standards.
- Productivity and performance expectations.
- Confidentiality and compliance requirements.
- Professional conduct standards.

Performance expectations may vary based on client assignments, departmental responsibilities, and operational requirements.

11.3 Performance Monitoring

Performance may be monitored through a variety of methods, including:

- Supervisor observations.
- Daily Exit Tickets.
- Attendance and schedule adherence records.
- Task completion and productivity measures.
- Client feedback.
- Quality reviews and audits.
- Compliance monitoring.
- Training participation and completion.

Performance monitoring is intended to support accountability, quality assurance, and professional development.

11.4 Coaching and Feedback

My Freedom LLC is committed to providing ongoing feedback and support to assist Virtual Assistants in achieving performance expectations.

Feedback may be provided through:

- Individual supervision sessions.
- Team meetings.
- Performance discussions.
- Quality reviews.
- Coaching sessions.
- Client feedback reviews.

Virtual Assistants are expected to participate constructively in coaching and feedback processes and to implement agreed-upon improvement measures.

11.5 Quality Assurance

Quality assurance activities may be conducted to ensure compliance with organizational standards, client expectations, and service requirements.

Quality assurance reviews may include:

- Work quality reviews.
- Documentation and compliance audits.
- Client feedback assessments.
- Service delivery evaluations.

Virtual Assistants are expected to cooperate fully with quality assurance activities. Quality assurance reviews and audits may be conducted on a scheduled or random basis.

11.6 Performance Improvement

Where performance concerns are identified, My Freedom LLC may implement performance improvement measures to support successful outcomes.

Improvement measures may include:

- Additional training.
- Coaching and mentoring.
- Increased supervision.

- Performance improvement plans.
- Corrective action where appropriate.

The objective of performance improvement is to address concerns, support professional growth, and promote successful service delivery

11.7 Client Feedback

Client feedback is an important component of performance evaluation and service improvement.

Positive feedback, concerns, complaints, and service observations may be considered when assessing performance, identifying development needs, recognizing achievements and determining suitability for client assignments.

11.8 Failure to Meet Performance Expectations

Failure to meet established performance standards may result in additional coaching, performance improvement measures, reassignment of responsibilities, removal from client assignments, or corrective action under the Progressive Discipline Framework.

12. PROGRESSIVE DISCIPLINE FRAMEWORK

12.1 Purpose

My Freedom LLC is committed to maintaining high standards of professionalism, accountability, performance, and compliance.

The purpose of the Progressive Discipline Framework is to address conduct, attendance, performance, quality, or policy concerns in a fair, consistent, and constructive manner. Whenever appropriate, corrective action will focus on improvement, coaching, and successful resolution of concerns.

Nothing in this policy limits My Freedom LLC's ability to take immediate action when circumstances warrant

12.2 Grounds for Corrective Action

Corrective action may be initiated for, but is not limited to:

- Failure to meet performance expectations.
- Attendance or punctuality concerns.
- Failure to comply with organizational policies and procedures.
- Failure to comply with client requirements.
- Unprofessional conduct.
- Poor communication or responsiveness.
- Quality or productivity concerns.
- Confidentiality or security violations.
- Failure to complete required training.
- Insubordination or refusal to follow reasonable instructions.
- Misuse of organizational or client resources.

12.3 Progressive Discipline Process

Depending on the nature, frequency, and severity of the concern, corrective action may include one or more of the following steps:

Step 1: Coaching and Verbal Warning

The concern shall be discussed with the Virtual Assistant and expectations for improvement shall be communicated. This stage is intended to address issues through guidance, clarification, and support before formal disciplinary action becomes necessary.

Coaching may include:

- Clarification of expectations.
- Additional guidance or support.
- Skills development recommendations.
- Performance monitoring.

No formal disciplinary documentation shall be placed in the Virtual Assistant file at this stage.

Step 2: Written Warning

Where concerns continue or where the issue warrants formal documentation, a written warning may be issued.

The written warning may include:

- Description of the concern.
- Previous corrective actions taken.
- Required improvement expectations.
- Timeframes for improvement.
- Consequences of continued non-compliance.

The Virtual Assistant shall acknowledge receipt of the written warning, and the documentation shall be maintained in the Virtual Assistant file.

Step 3: Performance Improvement Plan (PIP)

Where performance or conduct concerns persist, My Freedom LLC may implement a Performance Improvement Plan (PIP).

The PIP shall outline:

- Specific and measurable improvement goals.
- Performance expectations.
- Support and coaching measures.
- Review periods and progress evaluations.
- Consequences for failure to achieve the required improvements.

Unless otherwise determined by management, a PIP will typically remain in effect for thirty (30) days and include scheduled check-ins and documented progress reviews.

Step 4: Final Warning or Client Assignment Review

Where significant concerns remain unresolved, My Freedom LLC may issue a final warning and implement additional corrective measures as appropriate.

Such measures may include:

- Reassignment of responsibilities.
- Restriction of system access.
- Removal from specific client assignments.
- Increased supervision or monitoring.

At this stage, the Virtual Assistant shall be formally advised that failure to demonstrate immediate and sustained improvement may result in termination of engagement.

Step 5: Termination of Engagement

Termination of engagement may occur when a Virtual Assistant fails to achieve the required improvements following corrective action or continues to violate organizational standards.

Termination may also occur immediately in accordance with Section 12.4 (Immediate Corrective Action and Termination).

12.4 Immediate Corrective Action and Termination

Certain violations are considered sufficiently serious to warrant immediate corrective action, including termination of engagement, without following every step of the Progressive Discipline Framework.

Examples include, but are not limited to:

- Unauthorized disclosure of confidential information or Protected Health Information (PHI).
- Serious HIPAA, privacy, or data security violations.
- Fraud, theft, or dishonesty.
- Falsification of records, timesheets, reports, or documentation.
- Misrepresentation of qualifications, credentials, or work performed.
- Unauthorized access to client, organizational, or Virtual Assistant information.
- Sharing login credentials or granting unauthorized access to systems.
- Client solicitation, diversion of business opportunities, or unauthorized independent arrangements with clients.
- Harassment, discrimination, bullying, threats, or abusive conduct.

- Repeated unauthorized absences or abandonment of assigned responsibilities.
- Conduct that significantly damages client relationships, organizational reputation, or operational integrity.
- Any action that places clients, the organization, or others at significant risk.

Depending on the circumstances, My Freedom LLC may issue a final warning, restrict access to systems, remove a Virtual Assistant from client assignments, suspend responsibilities, or terminate engagement immediately.

The appropriate action shall be determined by management based on the nature, severity, and impact of the violation.

12.5 Right to Respond

Virtual Assistants shall be provided an opportunity to respond to concerns, provide relevant information, and participate in discussions regarding corrective actions when appropriate.

12.6 Management Discretion

The Progressive Discipline Framework serves as a guideline and may be adjusted based on the circumstances of a particular situation.

My Freedom LLC reserves the right to determine the appropriate level of corrective action based on the facts, severity of the issue, prior history, client impact, operational requirements, and organizational risk.

13. GRIEVANCE & COMPLAINT PROCEDURES

13.1 Purpose

My Freedom LLC is committed to maintaining a professional, respectful, and supportive work environment.

This policy establishes a process for raising workplace concerns, complaints, disputes, or grievances and ensures that such matters are addressed fairly, promptly, and appropriately.

13.2 Scope

Virtual Assistants may raise concerns relating to:

- Workplace conflicts.
- Communication concerns.
- Supervision issues.
- Perceived unfair treatment.
- Policy interpretation or application.
- Workplace conduct.
- Harassment, discrimination, or bullying.
- Other work-related concerns.

This policy shall not prevent a Virtual Assistant from reporting concerns regarding confidentiality, HIPAA compliance, security incidents, or other matters requiring immediate escalation.

13.3 Informal Resolution

Whenever appropriate, concerns should first be addressed through informal discussion with the relevant individual or the assigned HOD.

Many concerns can be resolved through clarification, communication, coaching, or mediation without the need for formal intervention.

13.4 Formal Grievance Process

Where a concern cannot be resolved informally, the Virtual Assistant may submit a formal grievance to management.

The grievance should include:

- A description of the concern.
- Relevant dates and circumstances.

- Individuals involved.
- Any supporting information.
- The outcome being requested.

Management shall review the matter and may conduct discussions, fact-finding activities, or investigations as appropriate.

13.5 Escalation Process

Concerns should generally be raised through the established reporting structure:

Virtual Assistant → HOD → Operations Manager → Program Manager → Principal

Where the grievance involves an individual within the reporting line, the concern may be escalated to the next appropriate level of management.

13.6 Non-Retaliation

My Freedom LLC prohibits retaliation against any Virtual Assistant who raises a concern, reports a complaint, participates in an investigation, or cooperates in the resolution of a grievance in good faith.

Any act of retaliation may result in corrective action.

13.7 Resolution and Final Determination

Management shall make reasonable efforts to review and address grievances in a timely manner.

Following review of the available information, management shall determine the appropriate resolution based on the circumstances of the matter.

The determination of management shall be communicated to the Virtual Assistant and shall conclude the organization's internal grievance process.

14. ANTI-HARASSMENT, DISCRIMINATION & EQUAL OPPORTUNITY

14.1 Purpose

My Freedom LLC is committed to maintaining a professional, respectful, inclusive, and safe work environment for all Virtual Assistants.

This policy prohibits discrimination, harassment, bullying, intimidation, and retaliation and establishes the standards of conduct expected throughout the organization.

14.2 Equal Opportunity

My Freedom LLC is committed to providing equal opportunity in all aspects of engagement, including recruitment, onboarding, training, client assignment, performance management, professional development, and termination of engagement.

Decisions shall be based on qualifications, performance, business needs, and operational requirements.

My Freedom LLC prohibits discrimination on the basis of any characteristic protected by applicable law.

14.3 Prohibited Conduct

Virtual Assistants shall not engage in conduct that creates an intimidating, hostile, offensive, or inappropriate work environment.

Prohibited conduct includes, but is not limited to:

- Harassment.
- Sexual harassment.
- Discrimination.
- Bullying or intimidation.
- Threatening or abusive behavior.
- Offensive or inappropriate comments, messages, or conduct.
- Retaliation against individuals who raise concerns or participate in investigations.

This policy applies to all work-related interactions, including meetings, video calls, email communications, messaging platforms, collaboration tools, training activities, and client interactions.

14.4 Reporting Concerns

Virtual Assistants who experience, witness, or become aware of conduct that may violate this policy are expected to report the matter promptly.

Concerns shall be reported in accordance with Section 13 – Grievance & Complaint Procedures.

Reports will be reviewed and addressed appropriately and, where necessary, investigated in accordance with organizational procedures.

14.5 Failure to Comply

Violations of this policy may result in corrective action, up to and including termination of engagement, in accordance with Section 12 – Progressive Discipline Framework.

15. ONBOARDING & OFFBOARDING PROCEDURES

15.1 Purpose

My Freedom LLC maintains structured onboarding and offboarding processes to ensure Virtual Assistants are properly prepared, supported, and compliant throughout their engagement lifecycle.

Effective onboarding promotes readiness, performance, and successful integration into the organization. Effective offboarding protects client information, organizational systems, and operational continuity when an engagement ends.

15.2 Onboarding Process

All newly hired Virtual Assistants shall complete the onboarding process before receiving access to client information, organizational systems, or independent work assignments.

The onboarding process may include:

- Execution of required agreements and acknowledgements.
- Completion of mandatory training and orientation activities.
- HIPAA, confidentiality, and security training.
- Policy and procedure review.
- Provisioning of system access and approved work tools.
- Introduction to the assigned HOD.
- Client-specific training and workflow orientation where applicable.

15.3 Training and Readiness

Virtual Assistants shall complete all required onboarding, compliance, and role-specific training requirements before being assigned independent responsibilities.

Management may require demonstration of competency, completion of assessments, or successful participation in designated training programs before client assignment eligibility is granted.

15.4 Offboarding Process

When a Virtual Assistant's engagement ends, My Freedom LLC shall implement an offboarding process to protect client information, organizational assets, and system security.

The offboarding process may include:

- Revocation of system and account access.

- Return or transfer of work-related information and organizational resources, where applicable.
- Return or transfer of work-related documentation and information.
- Completion of required administrative procedures.
- Exit discussions where appropriate.
- Reinforcement of ongoing confidentiality obligations.

15.5 Access Revocation and Security Requirements

Access to organizational systems, client platforms, communication tools, and confidential information shall be revoked immediately upon separation from the organization.

Prompt revocation of system access is essential to maintaining security, protecting client information, and supporting compliance requirements.

Virtual Assistants remain bound by all confidentiality, privacy, non-disclosure, and information security obligations following the conclusion of their engagement.

15.6 Responsibility for Compliance

Virtual Assistants, Heads of Department, management personnel, and designated administrators shall cooperate in completing onboarding and offboarding requirements in accordance with organizational procedures.

Failure to comply with onboarding, offboarding, security, or confidentiality requirements may result in corrective action or other measures deemed appropriate by management.

16. GIFTS, ETHICS & ANTI-CORRUPTION

16.1 Purpose

My Freedom LLC is committed to conducting business with honesty, integrity, professionalism, and transparency.

This policy establishes expectations relating to ethical conduct, gifts, conflicts of interest, and anti-corruption practices.

16.2 Ethical Conduct

Virtual Assistants are expected to act honestly, ethically, and in the best interests of My Freedom LLC and its clients.

Virtual Assistants shall:

- Conduct business with integrity and professionalism.
- Act in accordance with organizational policies and procedures.
- Avoid conduct that may damage client trust or organizational reputation.
- Report suspected unethical conduct through appropriate channels.

16.3 Gifts and Gratuities

Virtual Assistants shall not solicit gifts, favors, payments, or other benefits from clients, vendors, or third parties.

Occasional gifts of nominal value may be accepted where permitted by applicable law and where acceptance does not create an actual or perceived conflict of interest.

Any gift, benefit, or offer that may influence, or appear to influence, business decisions shall be declined and reported to management.

16.4 Conflicts of Interest

Virtual Assistants shall avoid situations that create actual, potential, or perceived conflicts of interest.

Any conflict of interest, or potential conflict of interest, shall be disclosed to management promptly.

Virtual Assistants shall not use their position, client relationships, organizational information, or access to systems for personal gain.

16.5 Anti-Corruption

My Freedom LLC prohibits bribery, kickbacks, improper payments, or any form of corrupt business practice.

Virtual Assistants shall not:

- Offer, request, authorize, or accept bribes or improper incentives.
- Provide anything of value in exchange for preferential treatment or business advantage.
- Participate in activities that violate applicable anti-corruption laws or ethical standards.

16.6 Reporting Concerns

Virtual Assistants who become aware of suspected unethical conduct, bribery, fraud, conflicts of interest, or other violations of this policy shall report the matter through the appropriate reporting channels.

Reports shall be addressed in accordance with Section 13 – Grievance & Complaint Procedures where applicable.

16.7 Failure to Comply

Violations of this policy may result in corrective action, up to and including termination of engagement, in accordance with Section 12 – Progressive Discipline Framework.

DOCUMENT REVIEW & AMENDMENTS

This manual shall be reviewed annually or sooner if operational, legal, regulatory, or organizational requirements necessitate revision.

The Program Manager is responsible for coordinating the annual review of this manual.

Interim updates may be issued as required and will be communicated through official organizational channels.

My Freedom LLC reserves the right to amend, revise, suspend, replace, or withdraw any policy contained within this manual at its discretion.
